Downingtowntown Strong is a community-based non-profit created to provide coordination and recovery services to Borough residents adversely impacted by flooding, fires, and other natural disasters or emergencies. These services include preparedness; communications; volunteer coordination; debris management; distribution of basic needs like food, clothing and shelter; home clean-up and repair, case coordination; and emotional/spiritual support. All services are provided free of charge. To learn more about Downingtown Strong and find where you fit in, visit: downingtowntownstrong.org

Get the Lead Out Campaign

[Downingtowntown Municipal Water Authority](http://DowningtowntownMunicipalWaterAuthority.org) wants you to help them *Get the Lead Out* of Downingtown. With changing requirements, they are actively working on identifying customers with lead water service lines that need to be replaced. If you think you have a lead service line, or would like help identifying your water line material, call their office at 610-269-5362 to schedule an appointment.

Reminder!

Please do NOT put your recycling in plastic bags! Plastic bags are not recyclable in curbside programs. They jam the source separating equipment at recycling facilities. Other non-recyclable items include yard waste, scrap metal and Styrofoam. Remember: **CLEAN, DRY, EMPTY, LOOSE** for all recyclables. [Click here](#) to view the *Recycle Right!* Informational flyer.
